**PREMIER
ROOFING**

\$3,675.18 INSTALLED

**BAD WOOD
REPLACEMENT
INCLUDED**

We Completely tear off the shingles and any old flashing around the chimney. Then we inspect and replace any bad wood found on the roof system. Next we install new roofing underlayment and new custom made chimney flashing and seal. Next we install new shingles to match your existing roof system and clean the work area. Last we remove the project trash and remove from property.
